Royal Emperor 2147224—The lowest down bull we have to offer. Exceptionally heavy quartered and smooth over his rump. His dam is a full sister to Browndale Robin our former herd sire. His even roan color makes him a very attractive bull. We debated quite some time on selling this bull or using him ourself in our herd.

We doubt if there will be a bull sold this year with more Browndale blood in his pedigree. His four top sires are direct descendants of Browndale Count. We know he will please you.
